

International Scholarships Award 2019/20

UNIVERSITY of
GREENWICH

gre.ac.uk/scholarships

How to apply?

The University of Greenwich is one of the most international universities in the world, with students from over 140 countries coming each year to advance their education with us. We have a large scholarship fund available to help the best and brightest international students achieve their academic potential. Applications for the scholarship are open to new, full time, international fee paying students who hold an offer to start their course in either September 2019, or January 2020.

This scholarship will be awarded as a deduction from your first year of academic study, with a discount of between £500 and £3,000. Recipients of this award will be required to participate in University promotional activities, such as interviews and attendance at University events.

The scholarship panel will meet a number of times during the year to determine successful applicants - full details of the selection process can be found on our website.

All offer holders can apply for the scholarship via our website at **www.gre.ac.uk/international/international-scholarships-award**.
