<u>ON THE COLLEGE OR PROFESSOR'S LETTER HEAD</u>

<u>Letter Of Recommendation</u>

I strongly corroborate Mr. Sameer Patil decision to pursue an admission for Master's Studies in your reputed university.

Sameer is known to me for the last two years, as I had been his professor in subjects namely "Thermodynamics" during the VIth Semester and "Equipment Design and Drawing" my major subject in the VIIth Semester. During the course of my teaching, I have noticed an inherent yearning to accumulate cognizance in him. He is an epitome of fineness in communication in his class. He grasps the gist of topic very quickly and tackles the problem in a very systematic way.

I was particularly impressed with the sincerity and the methodical work that Sameer had put into learning. Sameer has been working with a tremendous amount of perseverance and dedication, which I rate as one of the most important characteristics a student should possess. His zest to acquire knowledge is unbeatable.

His impresses me through understanding of the underlying concepts and exceptional clarity of thoughts. His innate passion to excel at any task undertaken has resulted in good standing in his class semester after semester. He possesses exceptional logical and analytical skills. He bears a good moral character. He is exceptionally good at dealing skillfully with people in various positions.

Sameer was equally competitive when it came to other extra curricular activities. The active participation in the inter college events shows his ability to excel in those fields too besides academics.

I have found Sameer to be a student with immense potential, which will help him succeed in his endeavor towards obtaining a Master's degree. I have been his internal guide for B.E. project titled "Modeling and Simulation using Matlab and "C" where he showed a keen interest in controls.

I have absolutely no hesitation whatsoever in recommending Sameer for an admission with appropriate financial assistantship to your University Master's program.

Mr.Prasad Hegde.
(Professor)
